

As a member of the Board of the Unity Theatre in Brenham, I have had the pleasant opportunity to work with Leslie on fundraising as well as be present during her monthly reports to the Board. I am continually impressed with Leslie's professionalism, firm grasp of the financial status of the theatre and her dedication and commitment to fulfill her job responsibilities and more. Leslie always exhibits a very positive attitude and her openmindedness is a breath of fresh air. She will be an asset to any organization in her new consulting career.
